

Free KS3 maths worksheets

Years 7, 8 and 9 · in the order you are taught · no account, no sign-up

70 topics. Every answer worked out by hand, step by step.

1

Pick your year and topic

Year 7, 8 or 9, then open the topic you are doing in class.

2

Print the worksheet

Questions on one topic with space for your working, or answer online for an instant score.

3

Mark it and learn from it

An answers sheet to mark, then full hand-written solutions to see every step.
